FOREST, ECOLOGY AND ENVIRONMENT SECRETARIATE

NOTIFICATION

No: FEE 302 FWL 2011-(II), Bangalore, dated: 27 -12-2011.

Whereas the Government of Karnataka has declared the area, situation and limits of which are specified in the **Schedule I** below, to be a sanctuary as it is of adequate ecological, faunal, floral, geomorphological, natural or zoological significance for the purpose of protecting, propagating or developing Wildlife or its environment. In exercise of powers conferred under subsection (1) of section 35 of the Wildlife (Protection) Act, 1972, it has been declared as **Bannerghatta National Park** vide Notification No. AFD 61 FWL 74 dated: 06-25/09-1974 published in the Karnataka Gazette dated: 09-01-1975 and the same has been confirmed as per the provision conferred under sub section (4) of section 35 of Wildlife (Protection) Act, 1972 (Central Act of 53 of 1972) as per the Notification No. FEE 19 FWL 98 dated: 05.03.2004.

And now, the Government of Karnataka consider it's necessary to alter the limits and boundaries of the said National Park in view of the following aspects:

i) during the meeting of State Board for Wildlife of Karnataka chaired by the Hon'ble Chief Minister of Karnataka held on 26-07-2011, it has been unanimously resolved to approve the proposal for re-organisation of Bannerghatta National Park comprising of reserve forests only;

ii) subsequently, during the meeting of Standing Committee of National Board for Wildlife held on 14-10-2011 has given its approval for rationalization of boundaries of Bannerghatta National Park vide letter dated 14-11-2011 of Ministry of Environment and Forests, New Delhi;

iii) since additional Reserve Forest also has better wildlife habitat and it is corridor for wildlife movements and the areas have adequate ecological, faunal, floral, geomorphological, natural or zoological significance for the purpose of protecting, propagating or developing Wildlife or its environment and by protecting these reserve forest will act as barriers to core area and help in better management of wildlife habitats;

iv) the proposed area is quite unique from wildlife point of view as the area is rich in Elephants, Tiger, Leopards, Gaur, Deer, Sambar etc. and also known for reptiles like Python, Vipers, Monitor Lizards etc., as well as the area known for innumerable birds and other flora; and

v) also, the proposed area acts as a critical wildlife corridor connecting reserved forests of Tamilnadu, Bengaluru Urban Division and Ramanagara Divisions.

The Bannerghatta National Park shall not include any of the Revenue Villages, Patta Lands, Revenue Lands, Gomala Lands and such other areas which do not form any part of State Forests and Reserve Forests. The encroached area ordered for regularization under Government Order No. FEE 5 FGL 90 dated: 05.05.1997 falling under Bannerghatta National Park is also excluded from the Bannerghatta National Park. The various rights of way and rights of water as notified in 'C' statements of the respective Reserve Forests shall continue and are already vested with the State Government.

Now, therefore, in exercise of the powers conferred under section 35 of the Wildlife (Protection) Act, 1972 (Central Act, 53 of 1972) the Government of Karnataka hereby declares the area, situation, limits which are specified in the Schedules (Including Schedule I and II) shall be comprised within the **"Bannerghatta National Park"** and the said area described in **Annexure – I** shall be called as **"Bannerghatta National Park"** with effect from the date of publication of this Notification.

Forest, Ecology and Environment Department

P.R. 1154

FOREST, ECOLOGY & ENVIRONMENT SECRETARIAT

No: FEE 10 FWL 2009, Bangalore, dated: 28 -11-2011.

NOTIFICATION

Whereas the Government of Karnataka in exercise of the powers conferred under Section 26A(b) of the Wildlife (Protection) Act, 1972 (Amendment in 2006) (Central Act, 532 of 1972) has considered the area, situation and limits which are specified in the schedule below, notification of Bombay and Karnataka Governments vide notification Nos.7F of 01-03-1879, A-Misc-1042 of 29-3-1921, 5618 of 2-7-1894, 6008 of 24-6-1911, AFD-2650 FAF 59 of 24-11-1959, an extent of **19042.58 Ha.** to declare as "**Bhimgad Wildlife Sanctuary**" as it is of adequate ecological, faunal, floral, geomorphological, zoological association or importance for the purpose of protecting propogating and developing wildlife or its environment.

And now, the Government of Karnataka consider its necessary to declare the area as Wildlife Sanctuary in view of the following aspects:

i) the area is in the core zone of Western Ghats comprising of semi evergreen and evergreen dense forests with steep slopes. The region is having rich floral and faunal diversity;

ii) this region is having lot of wildlife significance. It is habitat for endangered and endemic wroughton's free tailed bats (Otomops wroughtoni) and Theobald's tomb bats (Taphozus theobaldi). Barapede caves are known to be the only roosting and breeding place for wroughton's free tailed bats;

iii) the forests with beautiful mosaic of woodlands and grass lands are the habitat for Tigers, Leopards, Indian Gaur (Bisons), Sloth Bear, Sambar, Barking deer, Chital, Wild dogs, King Cobra and a variety of other mammals and reptiles;

iv) this region with richest reservoirs of bio-diversity is located in the north east of Mahaveer Wildlife Sanctuary of Goa and in the north of Dandeli Wildlife Sanctuary. This entire stretch acts as natural corridor for tigers and elephants between Anshi National Park, Dandeli wildlife Sanctuary, Mahaveer and Madei Sanctuaries;

v) this area is the place of origin and Catchment basin for many important rivers like Mahadayi, Malaprabha, Pandri, Markandeya, Tillari, Bailnadi etc., apart from number of streams;

vi) the area encompasses several Geomorphological lime stone formations with lots of caves, which support wide fauna and flora endemic to this location;

vii) apart from above, the Sanctuary covers historical Bhimgad fort ruins, which needs to be protected;

viii) the entire forest lands included in the Annexure –II to this Notification have been part of the Reserve Forests issued in various notifications after settling and accruing the rights. As such, as on the date of the Notification, no claims under Forest Right Act, 2006 have been received;

ix) a draft notification was issued by Government of Karnataka vide notification No.FEE 10 FWL 2009 dated: 03-02-2010 declaring an area of 13167.10 ha. Reserve Forest as Bhimagad Wildlife Sanctuary. However after ground verification of the area by Chief Conservator of Forests (Working Plan) and Principal Secretary, Forest, Ecology and Environment Department the area was modified and increased to 19042.58 ha. keeping in view ecological importance and management angle by correcting latitude and longitudes and also survey numbers.

And whereas the Government of Karnataka has got the recommendation of Wildlife Advisory Board in its meeting held on 19-07-2007.

And whereas all the rights in respect of the Reserved Forests to be constituted as Bhimgad Wildlife Sanctuary are already vested with the State Government.

The Bhimgad Wildlife Sanctuary shall not include any of the Revenue villages, patta lands, revenue lands on the date of publication of this notification. The various rights of waters and other rights as notified in the VFR statements of the respective Reserved forests shall continue.

By Order and in the name of the Governor of Karnataka,

(**UMADEVI**)

Under Secretary to Government (I/C),

Forest, Ecology & Environment Department.

P.R. No. 1080

. FOREST, ECOLOGY & ENVIRONMENT SECRETARIAT,

No: FEE 224 FWL 2011, Bangalore, dated: 28 -11-2011.

NOTIFICATION

Whereas the Government of Karnataka in exercise of the powers conferred under Section 26A (b) of the Wildlife (Protection) Act. 1972 (Amendment in 2006) (Central Act. 532 of 1972) has considered the Area, situation, limits and extent of Forest Areas

which are specified in **Schedule-I** to declare as **"Chincholi Wildlife Sanctuary"**, comprising of Government of Karnataka notified reserved forest blocks as shown in **Schedule-II**, as it is of adequate ecological, faunal, floral and geomorphological importance, and for the purpose of protecting, propagating and developing wildlife or its environment.

And now, the Government of Karnataka consider its necessary to declare the area as a Wildlife Sanctuary in view of the following aspects:

i) Chincholi Forests are the areas where the natural environment can easily be affected or harmed which needs the special protection. The unique features of this forest deserve to define it as ***"ECOLOGICALLY SENSITIVE AREA"***. Further, as the area is also having growth of economically important tree species, and vulnerable even to mild disturbances, and the area demands careful management. Thus, the Chincholi Forest area is considered to be an ***ÉCOLOGICALLY AND ECONOMICALLY IMPORTANT"***. The list of flora and fauna of the area suggests that, this area is ecologically ***'rich'***, ***'Valuable'*** *and* ***'Unique'*** irreplaceable if destroyed;

ii) further, by virtue of their biological richness, they are potentially of high value to human societies, help in maintaining the ecological stability of the area, and be significant in conserving biological diversity. The uniqueness of the services they offer to human society is precious;

iii) as explained in the above paras, the area need to be conserved taking the local context into account, on the basis of graduated or layered regulations as well as positive incentives depending upon their intrinsic value and extent of resilience;
